

Task #	22-06	Date:	24 th Mar	Review Date:	N/A
	Meet:		Bridge St Amenity Area		
	Summary:				
	Blooming up Bridge Street – installing the planters				
	Volunteers:		12		
	Time:		10:00	12:30	
	Weather:		Warm and sunny		

Another great turn out on a wonderful spring morning.

The task today is part of the ongoing improvements the Barrow in Bloom teams are undertaking as part of the Blooming up Bridge Street Project which won funding from the Dobbies 'Helping Your Community Grow' funding.

12 volunteers worked their socks off today installing 5 new planters in the Bridge Street amenity area, loading multiple bags of soil, heavy flagstones and 14 trays of annuals in the process. Holes were dug, gravel was sifted and the land levelled up again.

What a result!

We have 2 of these planters which were donated by the Parish Council

We have 3 of these new planters which we purchased at Dobbies with their 'Helping Your Community Grow' funding

Half way through the morning the team were greeted by members of the Parish Council offering some much needed refreshments – a massive thanks you to Claire, Sandie, Helen and Alice for providing tea's coffee's and fabulous flapjacks.

They were just what we needed to finish the work

The team today: (L-R)

Brian, Alistair, Andy, Steve, Philip, Karen, Alice, Bob, Honor, Nick, Julie and Sarah

One of the new large planters in place looking towards Deep Lock

One of the small planters in place looking towards 'The Slabs'

The planting up was done after our tea break and what a difference it has already made. In time the annuals will be replaced with longer lasting perennials when they become available to provide summer long colour.

Thanks to our great team of Volunteers.

Next Task:

Thursday 10.00 7th April

Location: **Bridge Street**
