	Summary:				
	Clear summer overgrowth from towpath towards Pillings Lock				
	Volunteers:		7

	Weather:		Very wet		

Rather drippy today. We had 7 volunteers out along the towpath between Pillings Lock and Barrow Bridge cutting back the hedgerows and low branches, with lots of willow cut back too. One bag of empty cans collected from the lock area - otherwise not too much rubbish around. Thanks to all the walkers and boaters saying thank you as they came past.
