

Task #	23 - 09	Date:	01 June 2023	
Meet:	Hunting Lodge			

8 volunteers out early today. 2 jitties tackled, Grove Lane to Sileby Road and Sileby Road to Avon Road. Grove Lane jitty now has bags more light as we took out a fair bit of overgrowth at height and we also cleared away lots of ground level weeds too.

Avon Road jitty was getting rather overgrown on the Sileby Road end but we've cleared lots from there whilst trying to leave some emerging wildflowers where we could. We also reduced the overgrowth on the hedges all along.

Thanks to the team today: (L-R)
