Task #	24 – 09	Date:	16 May 2024	BARROW
Task:	Re-painting Riverside View Railings			FOOTPATHS GROUP

We were dodging showers at Riverside View today to touch up the paint on the railings and we made a start on cleaning the plaques on the memorial bench - although we will need to come back to finish that job off as we ran out of brasso.

We also cleared some ivy near the entrance area by the traffic lights and removed a large log from the canal.

Thanks to the team - Nick, Honor, Pat, Patricia, Alistair, Ann, Bob, Margaret, Philip, Andy, Brian and Trev
