

Task #	25 – 05	Date:	6 <sup>th</sup> March	
Task:	Fishpool Brook paths – part 3			

Hard work from start to finish today - what's new there with this super team of volunteers. We started by clearing a stretch of pavement along Fishpool Way that still had lots of leaf litter on it, making it muddy, slippery and very narrow to use.

We then tackled the last section of the Fishpool Brook footpath - removing lots of soil/ leaf debris from the edges to bring them back to full width again. This was mainly an area in heavy shade, so those using the path should hopefully notice the improvement

straightaway. All soil and leaf debris removed was recycled into the local hedges as it was super rich with lots of worms in the thick soil too.

Thanks to the team today, Angie, Rachel, Steve, Pat, Bob, Andy, Alistair and Trev

#### **Next Task:**

Thursday 20<sup>th</sup> March 10:00

Meet: **Navigation Inn**
