

Barrow Community Litter Pickers

Monday 26th October

Barrow Deep Lock

9 very eager volunteers today to make a start on litter picking along the towpath as part of our Partnership arrangements with the Canal & River Trust.

We split into 2 teams with one heading out for the general tidy up along both sides of the canal between Barrow Deep Lock and the Navigation, and the second team, they were the 'Deep Dive' Team.

And look what they found: one hob, one settee, lots of wood, 4 old table legs and so many bottles and cans that we filled 2 massive bags!

We had to make 2 trips with the trolley to take it all up to our collection point. Thanks to Charnwood Borough Council for collecting all of the fly tipped items today.

Today's Team alongside the trolley of waste – so much we couldn't fit it all in – an all collected within ONE hour.

Next Event:

Monday 9 November 10:00 Start
Meeting Point - The Navigation
