

Barrow In Bloom 2023

13th April 2023

6 volunteers out today at Holy Trinity Church memorial gardens.

We gave both flowers beds a really good weeding and refreshed the mulch by removing the matting underneath. The remaining geraniums are all coming back healthy and will be divided once strong enough.

All the paths in the garden area and around the beds were edged and tided up too.

With rain forecast later and again tomorrow we decided it was best to leave the benches, which need to be sanded and stained, to another day.

Thanks to Karen, Philip, Ian, Bill and Andrew.
